THE OFFER

NO SPACE FEE. A FULL DAY IN FRONT OF THE FAMILIES.

This is the first World of Bands. We are inviting twelve local businesses to be founding vendors: no space fee, and first right to the same space in 2027. In return we ask for three things, on the next page.

- + One space in the lobby or the theater, assigned by us to fit what you sell
- + One table (8-ft in the lobby, 6-ft in the theater) and two chairs, provided by the venue
- + Two vendor wristbands with all-day in-and-out access
- + Logo and link on the vendors list at worldofbands.com, and one mention on [@worldofbandsflorida](https://twitter.com/worldofbandsflorida)
- + Named as a Founding Vendor on the stage screen at the closing
- + First right to your same space in 2027, at the 2026 price

YOUR PART

THREE COMMITMENTS

1

Bring one prize worth \$50 or more

For the vendor passport drawing. A gift card, a product, a service. Delivered at load-in. Every guest who visits the vendor tables enters, and we announce the total prize value from the stage.

2

Post about the show before Sunday

One post to your own customers with the ticket link, worldofbands.com/tickets. Instagram, Facebook, WhatsApp status or an email. Tag @worldofbandsflorida.

3

Be there all day

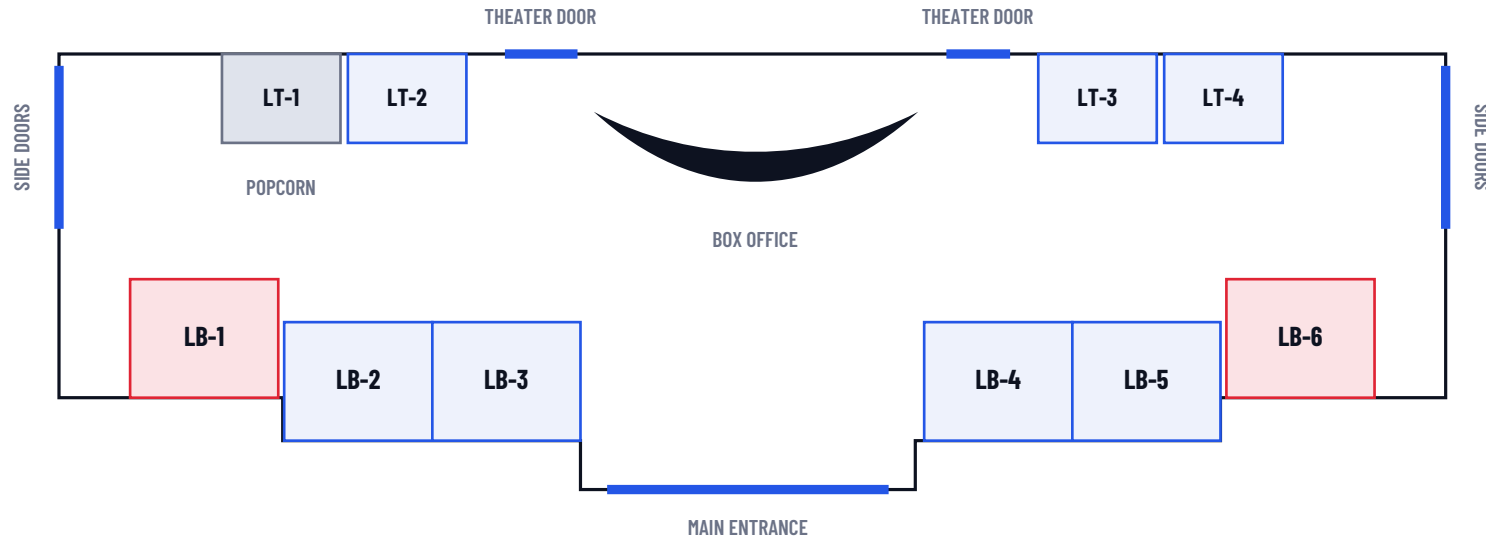

Load-in 8:00 to 8:45 AM. Staffed until 7:30 PM. Table dressed with a floor-length cloth and a banner. A vendor who leaves early is not invited back.

Food and drink vendors: also quote us a band lunch for 60 musicians at cost, delivered at 1:00 PM. We may or may not take it, but we ask for the quote.

Not included: power (ask when you apply), pipe-and-drape, storage, exclusivity of any category, and sponsor benefits such as stage mentions or screen ads. Those remain paid packages.

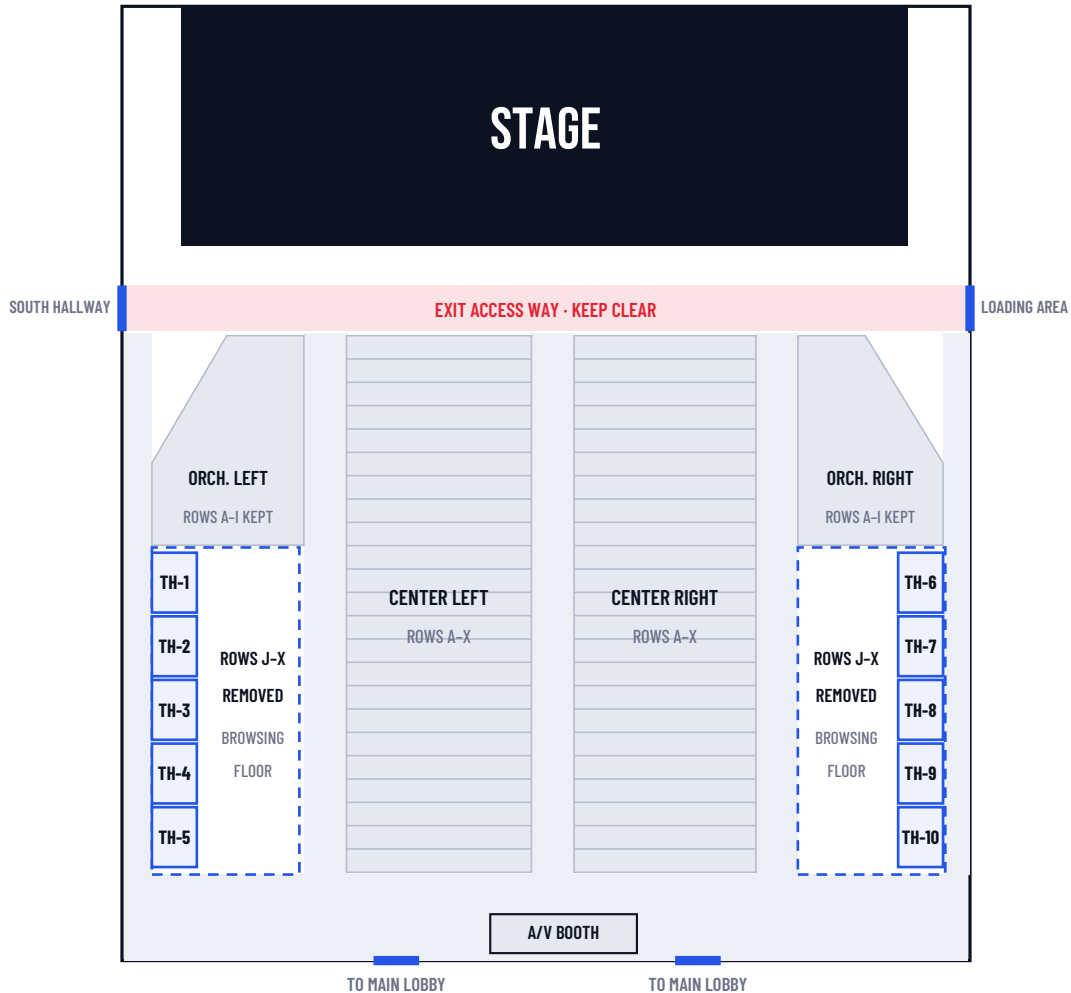

MAIN LOBBY

WHERE EVERY GUEST WALKS TWICE

- Lobby spaces are 8 × 10 ft with an 8-ft table. Best for food, drinks, merchandise and anything that sells on impulse.
- Back-wall tabletops are 6 × 8 ft with a 6-ft table, right by the theater doors.
- Every guest passes here at entry, at every break, at lunch and on the way out.
- LT-1 is the house popcorn stand. Red corners are reserved for food and drink.

TEN TABLES IN FRONT OF THE CROWD

- Theater tabletops are 6 × 8 ft with a 6-ft table, on both sides of the audience.
- They work at the four breaks. During sets the house is dim and quiet, so bring a battery light.
- No food and no speakers inside the hall.
- Best for brands, schools, studios, colleges and lead capture.

GOOD TO KNOW

THE RULES, IN ONE PAGE

Your setup

You bring tablecloth, banner, displays and signage. Free-standing setups are welcome inside your space. Nothing attached to walls or floors.

Your sales

You handle your own payments and sales tax. Bring tap-to-pay; the crowd is mostly cashless.

Food

Arrives ready to sell. No cooking on site. Warming and display are fine.

Timing

Load-in 8:00 to 8:45 AM through the main entrance. Doors 9:00 AM.
Load-out after 7:30 PM.

Aisles and doors

Keep the aisle in front of your table clear. Never block a door or the entrance corridor.

Inside the hall

Quiet during sets, no walking the aisles, no lit screens facing the stage.
